## Set up is simple. Follow the steps below.

### Online Account

To register for an online account, visit <https://Member.MutualOfEnumclaw.com/Register> and complete a simple enrollment form.

### Easy Pay

- Log in to your online account or create one to complete a simple application form on our Member Site.
- An application form can also be found on our public website at [www.MutualOfEnumclaw.com/eft](http://www.MutualOfEnumclaw.com/eft)

To complete the application you will need your bank account information (specifically the name of your bank, their routing number, and your account number) and the day of the month you would like your payment to be deducted from your account.

Please continue to pay all paper invoices until you receive a confirmation statement that includes the day and month that deductions will begin. You will not receive paper statements unless the monthly deduction amount changes by more than \$1.00, the deduction date changes, or your bank account information changes.
